

VED EXPORT
Creating pathways to success

Welcome to

VED EXPORT

About us

Ved Export is dedicated to providing a trustworthy platform for fresh vegetables, fruits, and authentic Chhattisgarh handicrafts. With full exporting licenses and a commitment to quality, we connect local producers to global buyers. Our mission is to serve as a reliable link, ensuring fair prices for farmers and exceptional products for our customers.

Mission

To become a leading global exporter of fresh produce and handicrafts, empowering farmers and artisans while showcasing Chhattisgarh's heritage on the world stage. Providing farmers with a fair and transparent platform to sell their high-quality agro commodities at genuine prices. Showcasing the region's rich tradition and craftsmanship through its handicrafts on a global scale.

Vission

Our vision is to create a global identity for Chhattisgarh's agricultural and cultural heritage by becoming a trusted leader in the export industry.

We aspire to:

Empower local farmers by providing them with a sustainable and fair platform to sell their agro commodities.

Establish long-lasting relationships with global buyers based on trust, quality, and reliability.
